

Startup Huddle Almaty

Regular meetings with specialists, authors of scientific developments, scientists, and innovators are held at the **Qaynar Bulaq Almaty space**. The **goal** of these meetings is to find **commercialization** opportunities for scientific developments, implement the best ideas into mass production, and connect real business with science.

What is StartUp Huddle?

If you dream of starting your own business but don't know where to begin, StartUp Huddle is the place for you! It's a unique platform for startup founders and entrepreneurs where you can receive support, ideas, and practical knowledge to successfully launch and grow your business.

Where does it take place?

We invite you to our open city space, Qaynar Bulaq Almaty, where events and consultations on key aspects of entrepreneurship are held in a friendly and inspiring atmosphere.

What does StartUp Huddle offer future business owners and entrepreneurs?

- How to create a successful business plan
- Financial planning and strategies for sustainable growth
- Brand development and promotion
- Commercialization of ideas

Who is it for?

StartUp Huddle is for anyone who wants to be part of the business world — from aspiring startup founders to small business owners looking to take their projects to the next level.

Why is it important?

The StartUp Huddle space is designed to inspire, support, commercialize your ideas, and help you grow. Here, you'll be able to interact with experienced experts, learn from successful entrepreneurs, exchange ideas, and gain valuable tools for scaling and commercializing your projects.

Don't miss the chance to become part of a strong entrepreneurial network and begin your path to success with StartUp Huddle. We will help you achieve your goals together!
